

MEMORANDUM OF COOPERATION

BETWEEN

UNIVERSITY OF FISHERIES, NHA TRANG, VIETNAM

AND

UNIVERSITY OF THE SUNSHINE COAST

CONCERNING

THE ESTABLISHMENT OF COLLABORATIVE LINKAGES BETWEEN THE TWO INSTITUTIONS

The University of Fisheries, Nha Trang, Vietnam and the University of the Sunshine Coast (USC), Queensland intend to further their common interests through the establishment of cooperative linkages.

The aim of this MoC is to promote cooperative linkages between the two institutions.

The basis of the memorandum is for mutual benefit and the advancement of knowledge and intellectual development in the following broad areas of cooperation.

- A. Exchange of staff
The duration and issue of visits shall be decided by the heads of the two institutions.
- B. Exchange of materials
Exchange of academic materials shall be facilitated by the two institutions.
- C. Research Collaboration
Joint research projects shall be undertaken upon mutually agreed terms, set out in written agreements between the two institutions. The research projects shall focus on areas that are of interest to both institutions.

University of Fisheries, Nha Trang and USC shall be at liberty to individually or jointly seek financial assistance from other sources in accordance with their own rules.

Joint research projects may be financed by either or both institutions, or through other funding institutions.

Any dispute arising out of the interpretation or implementation of this memorandum will be settled amicably by consultation between the institutions.

For the University of Fisheries

For the University of the Sunshine Coast
