

MEMORANDUM OF UNDERSTANDING

BETWEEN
INU RESEARCH & BUSINESS FOUNDATION, KOREA,
AND
NHA TRANG UNIVERSITY, VIETNAM

INU Research & Business Foundation (INU) and Nha Trang University (NTU) for the purpose of further cooperation in academic research, hereby affirm their intent to promote such academic exchange as will be of mutual benefit for their respective institutions. Cooperation is considered here to include but not be limited to:

- (1) development of mutually beneficial joint research and international projects in the fields of mutual interests on the base of cooperation and direct relationships;
- (2) coordination of such activities as joint conferences, seminars and other events;
- (3) exchange information on nursery cultivation technologies and seaweed biomass applications of the candidate species;
- (4) publication of the results of joint research as scientific papers, booklets, recommendations by consent of the parties;
- (5) collaboration for the research proposal to Korea-Vietnam Joint Research Program on Science and Technology, 2021, entitled "Nursery cultivation and biomass application technologies of economically important seaweed species in Korea and Vietnam".

Details of the implementation of any particular exchange resulting from this agreement shall be negotiated between the two institutions as such specific case may arise, and is subject to availability of sufficient funds.

This agreement to find cooperative projects in the field of marine and climatic environment and promote academic exchange and cooperation will be valid for three years and is subject to revision, renewal or cancellation by mutual consent. This agreement becomes effective upon completion of signatures.

IN WITNESS, therefore, the parties have here unto set their respective signatures on this date.

Signed for and on behalf of

INU Research & Business Foundation
