

NHA TRANG CITY

Nha Trang has long become an island paradise of Vietnam and Asia, blessed by nature with many unique landscapes, rich seafood resources, natural landscapes, and diverse tropical ecosystems.

National Geographic Magazine voted Nha Trang Bay as one of the most beautiful bays in the world.

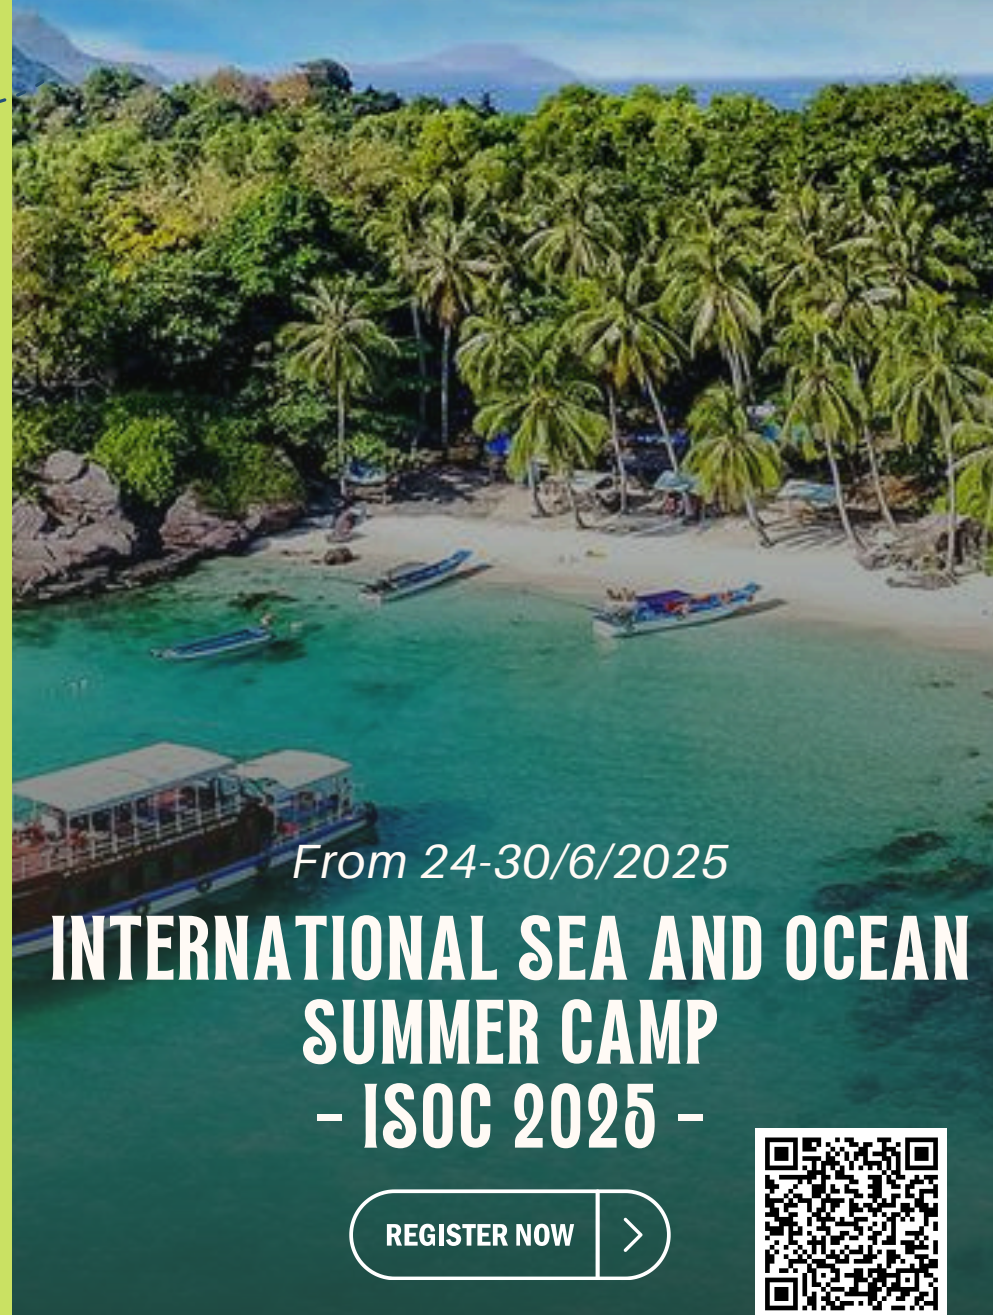

PHU YEN PROVINCE

A province in central Vietnam, belted top to bottom by a dramatic mountain range and hemmed in on its eastern border by 200 kilometers of coastline, with steep rocky mountains tumbling into lagoons and bays; fishing hamlets and villages cascade down hillsides, accessed by tiny winding roads.

NHA TRANG UNIVERSITY

From 24-30/6/2025

INTERNATIONAL SEA AND OCEAN SUMMER CAMP - ISOC 2025 -

REGISTER NOW

*An exclusive summer camp for the ocean lovers.
Get ready to dive, swim, and
explore the Undiscovered Nature*

PROGRAM ACTIVITY

With the desire to create opportunities for international students to learn about Vietnamese culture in general and explore the water of the stunning islands, NTU organizes the ISOC 2025 with the following criteria:

- Introducing Vietnamese culture, Nha Trang tourism, and Nha Trang marine ecosystem through specialized lectures by professors at the University.
- Introducing Khanh Hoa Province tourism through sightseeing activities at famous tourist destinations in Nha Trang City.
- Special summer camp for **ocean lovers** with **water activities**: diving to see coral, visiting marine protected areas and fish farms, exploring the bird's nest cave
- Travel to **Phu Yen Province** to visit the easternmost point of the country - Mui Dien Lighthouse
- Create a playground for international students to interact with Vietnamese students.

A certificate of participation
in Summer Camp is issued at
the end of the course
